Re: Certificate of Correction

In response to your second request for a certificate of correction, further consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule 1.322.

However, after close examination of your request, it has been determined that, it is advisable and less confusing if a corrected patent is requested, due to the contents of the appendices to be included in your original request. No correction is in order here under 3.22 or 3.323.

In view of the foregoing, your request in this matter is denied.

Further correspondence concerning this matter should be filed and directed to Decisions & Certificates of Correction Branch.
